Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

Cookies

We use “cookies” on this site. A cookie is a piece of data stored on a site visitor’s hard drive to help us improve your access to our site and identify repeat visitors to our site. For instance, when we use a cookie to identify you, you would not have to log in a password more than once, thereby saving time while on our site. Cookies can also enable us to track and target the interests of our users to enhance the experience on our site. Usage of a cookie is in no way linked to any personally identifiable information on our site.

Some of our business partners may use cookies on our site. However, we have no access to or control over these cookies.

Sharing

We partner with another party to provide specific services. When the user signs up for these services, we will share names, or other contact information that is necessary for the third party to provide these services. These parties are not allowed to use personally identifiable information except for the purpose of providing these services.

Updates and Changes to Privacy Policy

We may, from time to time, change this privacy policy. All modifications to the privacy policy will be from an “Effective Date” and will be posted on our website.
